

Preparing for the Future Today

CRE Treasury Leader Roundtable

December 3, 2020

U.S. Bank Commercial Real Estate

Meet our roundtable leaders

Erick Bowen, SVP | CRE DPS Regional Manager, U.S. Bank

Brings 10+ years of experience.

Erick is responsible for growth in non-credit business including treasury management, corporate card payments, merchant services and deposits.

Meet our roundtable leaders

Amy C. Gindel, SVP | Finance & Planning/Boston Properties, Inc. (BXP)

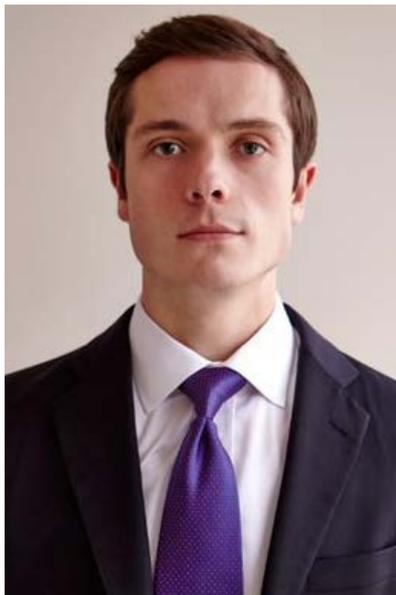

Brings 20+ years of experience.

Amy directs all aspects of the financial operations for BXP, one of the largest public REITs in the United States. She recently expanded her leadership role into sustainability and is focused on elevating the awareness of economic, environmental and social aspects of its business.

Meet our roundtable leaders

Christopher Stang, VP | Finance Operations, The Howard Hughes Corporation

Brings 9 years of experience.

Chris oversees the treasury, cash management and accounts payable functions for the company and is responsible for driving process efficiencies and automation. His past projects have focused on developing and implementing processes that have created value for the Treasury and Accounting functions.

Meet our roundtable leaders

Maria Smith, CPA, SVP | Treasury & Corporate Operations, EDENS

Brings **26+ years** of experience

Maria is responsible for the corporate and treasury management functions of the company. Her knowledge in the real estate industry, treasury management expertise and accounting experience are critical in her role and contribute immeasurably to the finance team.

Meet our roundtable leaders

Sarah E. Toepke | Controller of Construction Accounting, Ryan Companies

Brings **25+** years of experience

Sarah oversees responsibilities related to financial reporting, operations and compliance. Uniquely suited to her work—her love of building and design led her to study architecture before making the switch to accounting and business—she finds it rewarding to contribute to organizational success and growth by streamlining processes, developing individuals and strengthening teamwork.

Thank you for attending today.
